Vegetable Soup

Instructions

1. **Prep Everything**
   Dice the onion and cut the potatoes into small, bite-size cubes. Measure out everything marked with a spoon.

2. **Sauté Onion and Make Roux**
   In a stock pot over medium heat, melt the butter. Add the diced onion and cook for 3–4 minutes, until beginning to turn translucent. Sprinkle the flour over the onions and stir to coat; cook for 1 minute.

3. **Add Liquids**
   Pour in the broth and milk, whisking continuously to remove any lumps.

4. **Cook the Potatoes**
   Add the diced potatoes, salt, pepper, and Italian seasoning. Stir and cook for 10 minutes, stirring occasionally.

5. **Add Frozen Vegetables**
   Stir in the frozen mixed vegetables. Continue cooking for 4–5 minutes more, or until the potatoes are tender and fall apart when pierced with a fork.

6. **Serve**
   Remove from heat and serve warm.
